Privacy Policy

Discover Aichi Tours is a promotional website created as part of an inbound tourism initiative commissioned by the **Aichi Prefectural Tourism Association**.
This website introduces tours and travel experiences in Aichi Prefecture and provides links to tour operators' websites for further details and inquiries.

Website Operation and Management

The Discover Aichi Tours website is operated and managed by **Tourism Designers**, which is responsible for website administration, inquiry handling, and technical management.
All inquiries submitted through the contact form on the Discover Aichi Tours website are received and handled by Tourism Designers.

External Tour Operators

Tour detail pages and booking-related pages linked from this website are operated by **Tourism Designers**, acting as an external tour operator (DMC).
Any personal information provided on those external pages is governed by Tourism Designers' own privacy policy and terms.

Information We Collect

When you contact us via the website's contact form, we may collect personally identifiable information such as your name, email address, and inquiry details.
This information is used solely for responding to inquiries and providing relevant information regarding tours and services.
We do not knowingly collect personal information from children under the age of 13.

Cookies and Analytics

This website may use cookies and analytics tools to understand website usage and improve content and user experience.
These technologies do not collect personally identifiable information.

Data Security

Tourism Designers implements reasonable security measures to protect personal information collected through this website from unauthorized access, loss, or misuse.

International Data Transfers

As this website is accessible globally, information submitted via the website may be processed outside your country of residence.

Policy Updates

This Privacy Policy may be updated from time to time.
Any changes will be reflected in the latest version of this document.
